

# RACK MOUNT FIXED FIBRE OPTIC PATCH PANEL E- SERIES

The Rack-Mount Fiber Optic Patch Panel is designed in a standard 19" modular format. Its clamshell-type structure offers a simple, high-density, low-profile solution for easy access and efficient management of fiber optic terminations. The panel includes various cable management features for organizing both incoming and outgoing cables. It is equipped with stack-fiber storage spools and a splice tray. Each enclosure features front and rear removable metal covers, allowing for quick and easy installation and maintenance.

## FEATURES

- Compatible with 19" standard distribution frames.
- Various panel plates are available to fit different adapter interfaces.
- Front markings on the panel plate ensure easy identification and operation.
- Lockable front door equipped with spring-type screws.
- The enclosure is made of cold-rolled steel sheet and finished with electrostatic powder coating.

## COMPLIANCE

TSE: EN 61587-1 Mechanical Structures for Electronic Equipment - Tests for IEC 60917 and IEC 60297  
 Climatic and Environment: EN 61587-1/4.2, IEC60068-2-1, IEC60068-2-2, IEC60068-2-30,  
 Earth Bond: EN61587-1/6.2  
 Flammability: EN61587-1/6.3

## DESIGN & MATERIALS

Mounting Type	Rack
Colour	Black or Grey
Material	CRCA with RAL 9005 Powder Coated STR
Thickness of Metal	1.0mm
Rack Type	Fixed
Rubber Stoper Hole Dia.	20mm
U' Size	1U
Cable Port Max	2-4

## STANDARD ACCESSORIES

Items
Splice Tray
Fiber Organizers
Rubber Stopper
PG Gland

# RACK MOUNT FIXED FIBRE OPTIC PATCH PANEL E- SERIES

## ORDERING INFORMATION

### FIBRE PATCH PANEL

Part Number	Description
NEP-L21T03X	Fixed Fibre Optic Patch Panel loaded with 03 LC Duplex Adaptors, with adaptor plates & Splice trays (06F)
NEP-L21T06X	Fixed Fibre Optic Patch Panel loaded with 06 LC Duplex Adaptors, with adaptor plates & Splice trays (12F)
NEP-L21T12X	Fixed Fibre Optic Patch Panel loaded with 12 LC Duplex Adaptors, with adaptor plates & Splice trays (24F)
NEP-L21T24X	Fixed Fibre Optic Patch Panel loaded with 24 LC Duplex Adaptors, with adaptor plates & Splice trays (48F)
NEP-S11T03X	Fixed Fibre Optic Patch Panel loaded with 03 SC Simplex Adaptors, with adaptor plates & Splice trays (03F)
NEP-S11T06X	Fixed Fibre Optic Patch Panel loaded with 06 SC Simplex Adaptors, with adaptor plates & Splice trays (6F)
NEP-S11T12X	Fixed Fibre Optic Patch Panel loaded with 12 SC Simplex Adaptors, with adaptor plates & Splice trays (12F)
NEP-S11T24X	Fixed Fibre Optic Patch Panel loaded with 24 SC Simplex Adaptors, with adaptor plates & Splice trays (24F)
NEP-S21T03X	Fixed Fibre Optic Patch Panel loaded with 03 SC Duplex Adaptors, with adaptor plates & Splice trays (06F)
NEP-S21T06X	Fixed Fibre Optic Patch Panel loaded with 06 SC Duplex Adaptors, with adaptor plates & Splice trays (12F)
NEP-S21T12X	Fixed Fibre Optic Patch Panel loaded with 12 SC Duplex Adaptors, with adaptor plates & Splice trays (24F)

\*Adaptors need to quote separately.
